Friends in Christ,

Last week we were led to consider our own spiritual gifts and how we can discover and more fully develop them for the common good. This Sunday our scripture asks us to put those gifts to work - to step out in faith, to row out into much deeper waters and trust God to do great things!

Also this week:

We will release the members of the Senior Pastor Search Committee from their commissioned ministry with that team. Their service will be recognized in a brief ceremony during worship.

Following the service, our Annual Fiscal Meeting will take place. Child care for all ages will be offered in the Toddler Room. We have plans to make and important matters to discuss. I hope to see you there.

I am excited to see what God has in store for us as we move faithfully into the future together!

With you on the journey,

Meg
