Friends in Christ,

Always, but maybe especially when it is this cold outside, I am grateful for the opportunity to gather in worship, to revel in the warmth of God's love and your good company.

This Sunday we kick off 'Missions Month' by welcoming back Dr. Adam Daniels, who spoke to us last year about the Guatemala stove project. Dr. Daniels and FCCV member Susan Pilkons made the trip to Guatemala to meet the families and help with the delivery and set up of the new stoves that your generous gifts provided. It was a life-changing experience for the families who were helped and for the members of the mission team as well. Susan and Dr. Daniels will share some of their photos and stories with us.

This year's mission project is a lot closer to home and we will all have the opportunity to get involved and volunteer. If you would like to be part of something powerful that changes lives, be here on Sunday and learn more about our 2014 outreach - Connecticut Mission of Mercy.

This week will be a heartwarming service of worship that is sure to melt away your winter blues! Don't miss it!

With you on the journey!  
Meg
