"Can you hear me now?"

Friends in Christ,

Workers have been crawling around in crawl spaces this week, wiring our sanctuary for sound. The new sound system is being installed and should be up and running very soon! We still need volunteers willing to operate the new equipment during worship. If you have often wished you had the power to turn the sermon volume up... or down... this is your gig! Reply, "I want the power" to this email and Nancy will forward your responses to me. Thank you!

Our scripture this week is one you'll remember. Read it here

See you Sunday!
Meg
