## Friends in Christ,

What a beautiful time of year it is! I hope you can make some time to enjoy the spectacular sights and rich aromas of autumn in New England . The church looks especially beautiful now, framed by colorful fall leaves and adorned with pots of bright mums on the portico.

Today marks the start of the annual Women's Retreat and dozens of ladies are already feasting their eyes and filling their souls with the peace and beauty that nature provides. Please keep them in your prayers as they commune with God and one another.

This Sunday we will be blessed by the ministry of the Rev. Dr. Stan Possell as he breaks open the Word to share with us. Stan will also be leading a new Contemplative Prayer group on Monday nights beginning in November.

Our new Bible Study group gets underway this Tuesday, October 1st, at 11am in the Library. We will start an 8 week journey together entitled, "I AM - Discovering Who Jesus Is." You do not need to sign up to take part. Just bring your Bible and meet us here each Tuesday morning. We will plan to meet for one hour.

May your days be rich with blessings and your hearts be warm with love.

With you on the journey,

Meg
